Re: Suzanne Genereux, et al. v. American Beryllia Corp., et al.
 Civil Action No. 04-12137-JLT

Dear Judge Tauro:

This firm represents defendant Raytheon Company ("Raytheon") in this matter. On September 27, 2007, you ordered (Docket No. 159) as follows:

"The parties shall advise this Court by October 15, 2007, if they object to the publication of this opinion. Prior to doing so, they should consult with Raytheon to determine if it has any objection to publication."

By letter dated October 15, 2007, defendant Brush Wellman's local counsel, Alan M. Spiro, advised this Court that counsel had conferred with me and that there was no objection to the publication of the Court's previously-sealed Memorandum Decision on Summary Judgment (Docket No. 157).

The Court has asked that I confirm the foregoing. This confirms that counsel did in fact consult with me, and that Raytheon does not object to publication.

Sincerely,

 Ronald M. Jacobs
